## 2. Commodity & Currency Research Desk

- Rupee traded weak around 75.80 on back of strength in Dollar index prices which traded around \$96.30 in a very highly volatile market sentiments. Omicron variant uncertainty has kept Commodity & Currencies prices volatile, but rupee has seen weakness as it has kept trading with one step forward and two step back.
- Gold prices traded in range from last week 47400 to 48000 on back of neutral trend in Spot prices trading near \$1770. Fed reserve policy next week shall give some clear views for trend in Gold prices, along CPI data to be released later on Friday evening shall provide direction to a very range bound Gold prices.
