## 2. Commodity & Currency Research Desk

- Rupee traded positive above 76.00 compared to 76.75 last week as Russia Ukraine geopolitical tensions eased & Crude prices fell sharply from 120\$ to below 100\$ giving strength to rupee. Also FED's policy update of 0.25bps hike helped rupee gains as interest rates hike was inline to expectations.
- Gold prices witnessed profit booking towards 51000 from 52750 on MCX as Russia Ukraine geopolitical tensions eased and Hegde position were cleared as risk sentiment ease gave less buyers on bullions.
- LKP Commodity Spade a weekly pick, new report will be out on Monday, 21st Mar 2022, Report will be available on our LKP Research page
