2. Commodity & Currency Research Desk

- Rupee traded range bound in an sideways volatile market between 77.50-77.85 dollar index traded weak below 103\$ for entire week which helped rupee not fall below 78.00 but Crude prices at higher levels with volatile session did not help rupee to go above 77.50. RBI policy next week shall give further cues for the rupee direction.
- Gold witness weakness at the start of the week and in second half market recovered as dollar index witnessed weakness hence helping Gold recover lost ground from lows of 50500 and recovered till 51400 Gold has been seen in a range of 50000-51500 in a range since a two weeks now, any side break with conviction shall bring the trend moves into the commodity.
