## 2. Commodity & Currency Research Desk

- Rupee trade very weak as prices breached below 81.00 for first time after US FED's announced further measures to curb the inflation strongly by higher interest rates and projecting lower growth for rest of the year. Along with hike the hawkish statement fueled the dollar index above 111& after 20yrs pushing rupee lower.
- Gold prices took volatility as prices saw weakness below 49000 in start of the week on strong dollar but rose strongly above 50000 for some time as market participants found hedge against inflation asset Gold lucrative near 1650\$-1660\$ in comex and 49000 in MCX.
- LKP Currency Spade a weekly pick, new report will be out on Monday, 26th Sep 2022, Report will be available on our LKP Research page
